CASE NO.  
96-442

ORDER

On September 10, 1996, Salt River Electric Cooperative ("Salt River") applied to the Commission for authority to incur additional indebtedness with which it will finance its 1996-1999 Work Plan.

KRS 278.300(2) requires applications for authority to issue or assume securities or evidences of indebtedness to be ruled on within 60 days unless it is necessary for good cause to continue the application. Additional information is needed in the record of this case and it will be necessary to extend the time for ruling on the financing application beyond the 60-day limit in order to obtain and review the information. Therefore, the Commission finds that good cause exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

IT IS THEREFORE ORDERED that Salt River's application for authorization to incur additional indebtedness is continued beyond the 60-day period specified in KRS 278.300(2).

Done at Frankfort, Kentucky, this 7th day of November, 1996.
